

A 10x10 grid with a red background. A path of colored squares (yellow, orange, and white) starts at the bottom-left and moves in a jagged, upward-sloping pattern towards the top-right, resembling a staircase or a path through a field. The path consists of 15 squares: a white square at (0,0), followed by a yellow square at (0,1), an orange square at (1,1), a white square at (1,2), an orange square at (2,2), a yellow square at (2,3), an orange square at (3,3), a yellow square at (3,4), an orange square at (4,4), a white square at (4,5), an orange square at (5,5), a yellow square at (5,6), an orange square at (6,6), a yellow square at (6,7), an orange square at (7,7), and a white square at (7,8). The path ends at the top-right corner of the grid.
